

# Pen Pal Program

Thank you for being willing to participate in our Pen-Pal program at Hope Center for Children!

Do you remember how excited you were to received 'old fashioned' mail when you were a child? Our children love receiving mail! Our pen pals are elementary and middle school children looking for a way to give back to their community and to children their own age. By completing this form, your child will be asked to write a one sided, non-enveloped postcard to a similar aged child in our care. They will know each other by first names only and postcards will be addressed as follows:

Hope Center for Children  
Attn.: Penny Wright & (child's first name)  
PO Box 1731  
Spartanburg, SC 29304

Your pen pal will respond back to your child as you indicate below. Contact will be limited to written communication only. Please complete all information below and sign stating you understand the boundaries of this program. Please do not hesitate to contact me with any questions at any time. Thank you for participating!
